The Reactions North America Awards honor the achievements of companies and individuals who help to raise standards across the insurance industry in North America. The awards are adjudicated annually by a distinguished panel of insurance and reinsurance leaders and are widely recognized for their rigorous and independent judging process.

"We are honored to receive this award as it recognizes the work of RGA's talented teams of professionals in support of the ongoing and changing needs of our clients," said Mike Emerson, Executive Vice President and Head of U.S. and Latin American Markets. "With insurers facing constant disruption in today's marketplace, RGA brings deep subject matter expertise, continual innovation, and meticulous execution to help them achieve their business goals."

"Langhorne Re was established to help insurers seeking to free up capital from large blocks of business and facing limited options," said Andrew Edwardson, Managing Director, RGA Capital Partners. "This award is much appreciated as it provides additional validation of our success in addressing a widespread market demand with a solution uniquely tailored to life insurers."
