CALCULATION OF REGISTRATION FEE

Title of Securities to be Registered	Amount to be Registered ⁽¹⁾	Proposed maximum offering price per share ⁽²⁾	Proposed maximum aggregate offering price ⁽²⁾	Amount of registration fee ⁽²⁾⁽³⁾
Common Stock, par value \$0.01 per share ⁽⁵⁾	5,974,516 shares ⁽⁴⁾	\$35.02	\$209,227,550.32	\$8,222.65

- (1) This Registration Statement also covers such additional shares of Common Stock of the Registrant as may be issuable pursuant to anti-dilution provisions of the Reinsurance Group of America Flexible Stock Plan, the Flexible Stock Plan for Directors and the Phantom Stock Plan for Directors (collectively, the “Plans”). Pursuant to Rule 416(a) of the Securities Act of 1933, as amended (the “Securities Act”), this Registration Statement shall also cover any additional shares of the Registrant’s Common Stock that become issuable under the Plans covered hereby by reason of any stock split, stock dividend or other similar transaction.
- (2) Estimated solely for the purpose of calculating the registration fee pursuant to Rule 457(c) and (h) under the Securities Act of 1933 and based upon: (a) with respect to 2,882,687 shares, the weighted average of the exercise price for certain outstanding stock options and stock appreciation rights granted under the Plans, and (b) with respect to the remaining 3,091,829 shares, the average of the high and low reported market prices of the Registrant’s Common Stock on November 21, 2008, as reported on the New York Stock Exchange. Because there is no trading market for the Registrant’s Common Stock, the Registrant’s Class A Common Stock is believed to be the most appropriate measure of the value of the Registrant’s Common Stock.
- (3) A total of \$10,715.44 of filing fees was paid with respect to 5,992,222 shares of class A common stock previously registered pursuant to Registration No. 333-153494, initially filed on September 15, 2008. A total of 17,706 shares have been sold, leaving a total of 5,974,516 shares unsold for which filing fees of \$10,683.77 were paid and have not been utilized. Pursuant to Rule 457(p) under the Securities Act of 1933, such unutilized filing fees are being offset against the filing fee payable pursuant to this registration statement.
- (4) Represents the number of outstanding shares subject to existing options and other awards plus the number of shares authorized and reserved for future awards under the Flexible Stock Plan (5,790,710 shares), the Flexible Stock Plan for Directors (128,135 shares) and the Phantom Stock Plan (55,671 shares), including an additional 3,000,000 shares that have become available under the Flexible Stock Plan.
- (5) Each share of the Registrant’s Common Stock issued also represents one Series A-1 preferred stock purchase right. Series A-1 preferred stock purchase rights currently cannot trade separately from the underlying Common Stock and, therefore, do not carry a separate price or necessitate an additional registration fee.

Item 6. Indemnification of Officers and Directors.

Section 351.355(1) of the Revised Statutes of Missouri provides that a corporation may indemnify a director, officer, employee or agent of the corporation in any action, suit or proceeding other than an action by or in the right of the corporation, against expenses (including attorneys' fees), judgments, fines and settlement amounts actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action, had no reasonable cause to believe his conduct was unlawful. Section 351.355(2) provides that the corporation may indemnify any such person in any action or suit by or in the right of the corporation against expenses (including attorney's fees) and settlement amounts actually and reasonably incurred by him in connection with the defense or settlement of the action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, except that he may not be indemnified in respect of any matter in which he has been adjudged liable for negligence or misconduct in the performance of his duty to the corporation, unless authorized by the court. Section 351.355(3) provides that a corporation may indemnify any such person against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the action, suit or proceeding if he has been successful in defense of such action, suit or proceeding and if such action, suit or proceeding is one for which the corporation may indemnify him under Section 351.355(1) or (2). Section 351.355(7) provides that a corporation will have the power to give any further indemnity to any such person, in addition to the indemnity otherwise authorized under Section 351.355, provided such further indemnity is either (i) authorized, directed or provided for in the articles of incorporation of the corporation or any duly adopted amendment thereof or (ii) is authorized, directed or provided for in any bylaw or agreement of the corporation which has been adopted by a vote of the stockholders of the corporation, provided that no such indemnity will indemnify any person from or on account of such person's

conduct which was finally adjudged to have been knowingly fraudulent, deliberately dishonest or willful misconduct.

The Amended and Restated Articles of Incorporation of the Registrant contain provisions indemnifying its directors, officers, employees and agents to the extent authorized specifically by Sections 351.355(1), (2), (3) and (7). The Registrant has entered into indemnification contracts with its officers and directors. The contracts provide that the Registrant under certain circumstances may self-insure against directors' and officers' liabilities now insured under the policy of insurance referred to below and will provide indemnity to the fullest extent permitted by law against all expenses (including attorneys' fees), judgments, fines and settlement amounts, paid or incurred in any action or proceeding, including any act on behalf of the Registrant, on account of their service as directors or officers of the Registrant, any subsidiary of the Registrant or any other company or enterprise when they are serving in such capacities at the request of the Registrant, excepting only cases where the conduct of such person is adjudged to be knowingly fraudulent, deliberately dishonest or willful misconduct.

The Amended and Restated Articles of Incorporation of the Registrant limit the liability of its directors to the Registrant or any of its shareholders for monetary damages for breach of fiduciary duty as a director to the fullest extent permitted under Missouri law.

The Registrant maintains a policy of insurance under which the directors and officers of the Registrant are insured, subject to the limits of the policy, against certain losses, as defined in the policy, arising from claims made against such directors and officers by reason of any wrongful acts, as defined in the policy, in their respective capacities as directors and officers.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

The Exhibits to this Registration Statement are listed in the Exhibit Index to this Registration Statement, which Index is incorporated herein by reference.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or

high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that Paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Chesterfield, State of Missouri, on this 25th day of November, 2008.

Re: Reinsurance Group of America, Incorporated - Registration Statement on Form S-8

Ladies and Gentlemen:

As Senior Vice President and Associate General Counsel of Reinsurance Group of America, Incorporated (the "Company"), I am familiar with the registration statement on Form S-8 (the "Registration Statement") to be filed with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Act") in connection with the registration under the Act of an aggregate of 5,974,516 shares of Common Stock, par value \$0.01 per share, of the Company (collectively, the "Shares") issuable under the Reinsurance Group of America, Incorporated Flexible Stock Plan, the Reinsurance Group of America, Incorporated Flexible Stock Plan for Directors and the Phantom Stock Plan for Directors of Reinsurance Group of America, Incorporated (each, a "Plan" and collectively, the "Plans").

Based on the foregoing and in reliance thereon and upon my review of applicable statutes and case law, it is my opinion that: (i) the Shares have been duly authorized and (ii) the Shares, after the Registration Statement becomes effective and after any post-effective amendment required by law is duly completed, filed and becomes effective, and when the applicable provisions of "Blue Sky" and other state securities laws shall have been complied with, and when the Shares are issued and sold in accordance with the respective Plan and the Form S-8 prospectus to be delivered to participants of the Plan, will be validly issued, fully paid and non-assessable.

I hereby consent to the inclusion of my opinion as Exhibit 5.1 to the Registration Statement. In giving this consent, I do not hereby admit that I am in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Commission thereunder.

This opinion is rendered solely for your benefit in accordance with the subject transaction and is not to be otherwise used, circulated, quoted or referred to without my prior written consent. I am opining herein as to the effect on the subject transaction only of United States federal law and the internal

(and not the conflict of law) laws of the State of Missouri, and I assume no responsibility as to the applicability thereto, or the effect thereon, of the laws of any other jurisdiction.

Very truly yours,

/s/ William L. Hutton
